Rebalance your mind and body

Longview Day Spa provides a unique wellness experience in a stunning vineyard setting, offering a variety of relaxing body and facial treatments with a focus on pampering, calming, and nourishing your body.

You can choose to end your treatment with award-winning Longview wine and one of our chef created platters, while sitting blissfully on the self-enclosed balcony, overlooking our Pinot Noir vineyard.

Not ready to leave yet? Extend your Longview Spa Experience with a stay in one of our luxury 4 ½ star accommodation options or venture on to the cellar door and indulge in a Italian inspired meal.

Our holistic approach

At Longview Day Spa we use organic skincare brand, Swiss Wellness in all our treatments. Made locally in the Adelaide Hills, Swiss Wellness is cruelty free, vegan friendly and contain nothing but natural, organic ingredients.

For our manicures and pedicures we use Australian owned and made Gloss and Co nail polish. Their nail range is cruelty free, vegan friendly and contain no toxic chemicals. Protecting not only you and your nails, but the environment too.

Kindred Self essential oils and mists are used throughout our treatments to help you relax, ground and centre. Kindred Self is a South Australian owned and Australian made company. All of the Kindred Self products contain 100% pure essential oils, are vegan friendly and contain no synthetic fragrances or palm oil.

We have also had the pleasure of working with Etikette candles to create a bespoke fragrance, used in our range of soy candles and diffusers, made lovingly by hand on Peramangk and Kaurna Country in the Adelaide Hills.

All treatments begin with a consultation with your therapist to ensure that your treatment is customised and any concerns and needs are addressed.
