INFRA-RED SAUNA

Discover the rejuvenating benefits of our infrared sauna, designed to promote wellness and deep relaxation. Using gentle heat, infrared saunas help detoxify your body, improve circulation, and ease muscle tension, leaving you feeling refreshed and revitalised. Perfect for unwinding before a treatment or as a standalone experience, our sauna offers an escape that enhances your overall wellbeing.

If this is your first session, we recommend booking no more than a 30 minute appointment to avoid overheating. Please consult your doctor if you have health conditions such as heart problems, low or high blood pressure, respiratory issues, or skin conditions. Pregnant women are advised to avoid saunas due to the heat.
